Eisenhower Yacht Club Boat Center located at 5995 FM 84 in Denison. For information, please contact Josh Loe at 903-814-1440 | sales@eisenhoweryachtclub.com

Keys with Work Orders

Please make sure that you provide the location or drop off your keys when you drop off your boat, along with any combination number that we may need in order to access your boat, slip or lift.

Use of Security Cameras

Please note that all cameras:

Need to be directed only at your own personal areas and property.

Must not be pointed at any other slip or common areas. Common areas may not be filmed.

If you need assistance...

We monitor VHF channel 16 or you can call the night watchman at 903.271.0969 or the office on call at 903.463.3999.

Lake Texoma Trivia

Construction of the dam was completed in January 1944 at a cost of \$54 million. The installation of the two generators was completed in September 1949. Initially Lake Texoma was authorized for flood control, hydropower and water supply. Recreation was not officially added as a project purpose by Congress until 1988.

Welcome Aboard!

Attention Customers | Spring Cleanup

Spring has sprung and it's time for some spring cleanup! The EYC Staff would greatly appreciate if all boathouse members would make sure the docks are free of the following:

Gas cans

Paint cans

Batteries

Extension cords

Power strips

Also, please make sure that slip fingers are clear of debris and all general housekeeping is done for your boathouse. | Thank you, EYC Management

Our Sincere Appreciation

Dear EYC Customers,

I want to drop a quick note to inform all of our loyal patrons of our current operational status. As many of you have probably noticed, EYC as well as all marinas are busier than ever. While this is a wonderful thing for the Lake Texoma economy, it has created a strain on our ability to provide prompt services. EYC is working through several operational challenges that we have never dealt with before. Please know that our team is working hard to assure that all customers are being taken care of. We truly appreciate your business and appreciate your patience.

Sincerely,

James Harber

President
