Eisenhower Yacht Club Marina is a nominated business in this year's Best of Texoma with the Herald Democrat. We've been nominated for Best Marina at Lake Texoma! Please show your support by voting for EYC! Voting begins August 13th and ends August 29th. To vote, please go to www.heralddemocrat.com/contests/. You will be able to vote once per day during the voting period. Please help EYC win!

Boathouse Parking

With the marina currently full to capacity, please be mindful of how you park so that there will be room for all residents and guests. Also please do not park trailers in boathouse parking areas as they increase parking congestion.

If you need assistance...

We monitor VHF channel 16 or you can call the night watchman at 903.271.0969 or the office on call at 903.463.3999.

Lake Texoma Trivia

Normal elevation of the conservation pool varies from 615 to 619 ft (187 to 189 m) National Geodetic Vertical Datum (NGVD) depending on the time of year. The flood control pool extends to elevation 645 ft (197 m) NGVD. The lake has crested the dam's spillway at a height of 640 ft (195.07 m) five times: once in 1957, again in 1990, 2007, May 24, 2015 and most recently on June 18, 2015 (USACE 2003a). The lake's previously highest elevation was recorded on May 6, 1990 at 644.76 feet. This record was broken on May 29, 2015 and the lake crested on June 1, 2015 at a new record elevation of 645.72 feet. The top of Denison Dam is at 670 feet.
