October Fuel Dock Hours

The Marina Store and Fuel Dock will remain open for pump outs, ice, supplies, snacks & drinks, logo merch and gifts during our fuel system renovation.

Sunday—Saturday 8:00 am to 5:00 pm

Fuel System Upgrade

We are replacing our fuel system during the off season. We will not be selling fuel until the new system is complete. Our goal is to have the new system up and running by or before spring of 2022. Grandpappy Point Marina is the closest location with fuel. Also note, that it is against our rules to use a portable gas can in your slip. If you need to use a gas can, you must be outside of the slip and marina to do so.
