## Fuel System Upgrade Continues

We are making progress, but just as a reminder, we will not be selling fuel until the new fuel system update is complete. Our goal is to have the new system up and running by or before spring of 2022. Grandpappy Point Marina is the closest location with fuel. Also please note, that it is against our rules to use any portable gas can in your slip. If you need to use a gas can, you must be outside of the slip and outside of the marina to do so.

## December Fuel Dock Hours

The Marina Store and Fuel Dock will continue to remain open for pump outs, ice, supplies, snacks & drinks, logo merch and gifts during our fuel system renovation.

Monday—Saturday 8:00 am to 5:00 pm (Closed Sundays through February)

## Toys for Tots

Eisenhower Yacht Club will be a toy collection site again this year for 2021! We will be accepting new, unopened, unwrapped toys from now until Wednesday, December 15th. If you would like to participate, please bring your donation to the office Monday—Saturday 8 am—5 pm. With each donation, you will be entered into a raffle drawing to **win a \$25.00 gift certificate** to our Marina Shop!

Thank you for helping brighten up the holidays for our Grayson and Fannin county children!

Holidays
