### T-Shirt SALE!

Now through the end of the year, we will be offering 10% off on all logoed EYC t-shirts and tank tops, so stop by the Marina shop to treat yourself or for a holiday gift! We have a variety of colors and styles in both adult and kids' sizes!

## Feature of the Month

### New Arrival | 2020 Cobalt R3

Crafted to stand out from a typical 23-footer, the Cobalt R3 has a sleeker, lower profile than other R Series boats, and it's complemented by a beautifully designed transom platform. Guided by an innovative Free Space Reclamation design, the cockpit has an interior beam measurement more than a foot wider than the competition. And with wrap-around, yacht-style seating exclusive to a boat this size, the R3 maximizes interior space while delivering an exterior look sure to turn heads.

For information, please contact Josh Loe at 903-814-1440 | [sales@eisenhoweryachtclub.com](mailto:sales@eisenhoweryachtclub.com)

For boat sales, Eisenhower Yacht Club Boat Center located at 5995 FM 84 in Denison.

### Water Shut Off

Water shut off will occur sometime around Thanksgiving this year for customers who do not have winter water. We will be monitoring the weather and depending upon the forecast, we will adjust the shut off time accordingly.

### Trash around Porta-Potties

Please do not leave trash in or around the porta-potties located throughout EYC. Please make sure that all trash (paper products, diapers, etc.) are disposed of properly in the blue or green dumpsters provided. Thank you!

### If you need assistance...

We monitor VHF channel 16 or you can call the night watchman at 903.271.0969 or the office on call at 903.463.3999.

### Upcoming Holiday Closures

We will be CLOSED on November 25th, December 25, and January 1st for the holidays! We will also be closing at noon on November 24, December 24 and December 31.

If you have an emergency please call the office. There will be someone on call.

### Winterizations

With the colder weather beginning to settle in, don't forget to winterize your boats! Call the office to schedule your winterization today!

## Fuel System Upgrade

We will not be selling fuel until the new fuel system update is complete. Our goal is to have the new system up and running by or before spring of 2022. Grandpappy Point Marina is the closest location with fuel. Also note, that it is against our rules to use a portable gas can in your slip. If you need to use a gas can, you must be outside of the slip and marina to do so.

## November Fuel Dock Hours

The Marina Store and Fuel Dock will remain open for pump outs, ice, supplies, snacks & drinks, logo merch and gifts during our fuel system renovation.

Monday—Saturday 8:00 am to 5:00 pm (Closed Sundays through February)

## Dear Valued Customers,

Please note that EYC will implement an increase in the base rent beginning on the December billing statement. It was our goal to hold prices for at least another year, but due to unexpected increases in operational costs we were not able to do so. In order to continue to offer our customers quality service, we must do our best to keep up with the ever increasing expenses of operating a full service marina. This increase will be approximately 3% of the current rate. Please know, this is substantially lower than the increase in overhead we have incurred this past year. We understand this is an inconvenience, but greatly appreciate your business and loyalty to Eisenhower Yacht Club Marina.

Sincerely,

Lindsay and James Harber
