Spare Keys?

If you have an extra set of keys to your boat, docko and/or slip access, we would appreciate having a set here at the EYC office. This is helpful to us when doing service work for you as well as a convenience for you if you happen to come up to the marina and forget your keys. It happens! :) Feel free to drop them by the office anytime!

If you need assistance...

We monitor VHF channel 16 or you can call the night watchman at 903.271.0969 or the office on call at 903.463.3999.
