The Eisenhower Yacht Club Boat Center is  
located at 5995 FM 84 in Denison.

#### REMINDER

#### NO SWIMMING OFF OF BOATHOUSES!

We have had a few complaints recently about kids swimming off of the boathouses so we would like to remind everyone that it is NOT safe to swim there. These signs are on every entrance door to the boathouses to remind you. There are electrical wirings in the water, and currents are present. It is definitely NOT safe to do so.

#### HELP KEEP EYC CLEAN

In an effort to keep our EYC grounds clean, please make sure that all of your trash is bagged and placed inside one of the blue dumpsters. Trash left on the docks or outside of dumpsters, attracts raccoons and other critters that make a mess.

## NEEDING ASSISTANCE?

We still monitor VHF channel 16, or you can also call the office at (903) 463-3999. If you have any concern or emergency you can also call the night watchman at (903) 271-0969.

LABOR  
DAY**

# Gas Dock Update

This coming weekend the gas dock will be open Friday until 5pm, Saturday and Sunday until 7pm, and Monday until 5pm. Everyone from our gas dock crew has gone back to school. We will be open from 8am-5pm during the week but will be relying on our office staff to help out. If possible, please call ahead before coming in for gas or a pump out. This will help assure that someone is available when you pull up.

We appreciate everyone's patience this boating season while we have continued to work through our fuel system debacle. All delays have been outside of our control. We still do not have a completion date, but can say that we are closer. Many of the parts and components needed for construction have arrived and more continue to show up. Once all of the materials have been delivered, the contractors should be able to give us a completion date and complete the project soon after.

**WELCOME  
ABOARD!**
