SERVICE & MAINTENANCE

Please remember, no improvement may be made to your slip without the permission of the EYC management. EYC supplies your electrical box, shore power, and spigot - anything beyond that is your improvement but may only be completed by EYC-approved workers. Please inquire at the office before starting any work.

NEEDING ASSISTANCE?

We still monitor VHF channel 16, or you can also call the office at (903) 463-3999. If you have any concern or emergency you can also call the night watchman at (903) 271-0969.
