ANNOUNCEMENT

In order to maintain quality service and keep up with the rapid increases to operational expenses, an increase to the slip rental fees will take effect in September's billing cycle.

SERVICE AND MAINTENANCE

Please remember, no improvement may be made to your slip without the permission of the EYC management. EYC supplies your electrical box, shore power, and spigot - anything beyond that is your improvement but may only be completed by EYC-approved workers. Please inquire at the office before starting any work.

NEEDING ASSISTANCE?

We still monitor VHF channel 16, or you can also call the office at (903) 463-3999. If you have any concern or emergency you can also call the night watchman at (903) 271-0969.
