BOAT MAINTENANCE SCHEDULING

Need a bottom job or oil change? It's time to call to get on our service department's schedule for your boat maintenance so that your vessel will be ship-shape come spring! Time slots are already beginning to fill up quickly for bottom jobs, oil changes and general maintenance, so don't wait! Call the EYC office to put in a work order and get your boat service on our schedule!

2024

IS A LEAP YEAR!

It takes approximately 365.25 days for the Earth to orbit the sun once. We add one day to our calendars every four years to make up for the missing day. Hope you have fun on this extra day of 2024!

TRAILER SPACE STORAGE

Effective January 1st, boat trailer storage rent will be \$35 per month. This also gives you 24/7 gated access to your trailer at our Eisenhower Yacht Club Boat Center location. For more information, call Lori at (903) 412-0010 or email lori@eisenhoweryachtclub.com.

HEATERS

Please do not use non-marine grade heaters in your boat or slip unless you are present. Space heaters are one of the main causes of boat fires. They are not to be used unless someone is present. Only marine grade bilge heaters can be used unattended. If anyone sees a space heater being used, please report it to the marina office.

NEEDING ASSISTANCE?

We still monitor VHF channel 16, or you can also call the office at (903) 463-3999. If you have any concern or emergency you can also call the night watchman at (903) 271-0969.
